

Tribal Enrollment Department

Monthly Report for April 2019

Submitted by: Robin Smith, Director

The Enrollment Office prepared reports of the eligible voters in each district and submitted them to the Election Board for the Primary Election held on April 16, 2019. Each report listed the name, age, district, DOB and address for the individual voters; there was a total of 2,243 eligible voters. Total Enrollment for the Tribe as of April 15, 2019 was 7,556.

Throughout the month of April, verification letters for over forty (40) tribal members were sent to county offices & other entities for the 2018 social impact payment.

We also had an averaged 5-7 visitors each day this month requesting enrollment information, family trees, etc.

There were thirty-two (32) tribal i.d.s issued this month.

The Enrollment Committee met on Thursday, April 25, 2019. They received and reviewed 36 applicants for membership and received four (4) requests for relinquishment.

There were eleven (11) tribal members who paid their Minors Fund Monies. From Oct 1, 2018 – Apr 2019 there have been a total of fifty-two (52) tribal members who have been paid their Minors Fund Monies.

There have been three (3) deaths this month. The total number of deceased members from Oct 1, 2018 – Apr 2019 is thirty-nine (39).

Enrollment has been updating the eligible voters list for the General Election on May 7, 2019 and will submit to the Election Board prior to the election.
