Job Title:	Grants Management Specialist	Open Date:	December 28, 2018
-------------------	-------------------------------------	-------------------	--------------------------

Position Objective: Provides accounting and administrative support for the programs as assigned. A program can be a contract, grant, or department.

Major Duties & Responsibilities

- Organize all financial & administrative information regarding the program into a folder. The folder must contain but is not limited to; contract or grant agreement, modifications to the contract or grant, chart of accounts, budget, letters, memorandums or emails, reports required per the contract or grant, and a record proving the revenue and expense reports were shared with the director or manager.
- Every fiscal year, prepare a budget with the program director/manager, enter the budget into the accounting system, and share a copy with the director or manager.
- All forms of communication should be documented and kept in a folder.
- Prepare and submit all required reporting per the program in a timely manner; state, federal, tribal and/other financial reports.
- Understand the funding source or agency; general knowledge, rules & regulations, allowed and unallowed costs, reporting requirements, etc.
- Monitor, reconcile, and report the revenue and expense statements to the director and/or monitor on a monthly basis.
- Reconcile expenditure & revenues in the general ledgers to insure the correct accounts are recorded. When an expense or revenue is recorded into the wrong account, the accounting technician will inform his/her supervisor to make the necessary journal entry.
- Interact with the director and/or monitor and Junior Accountant as needed to communicate the current financial situation or any financial or administrative concerns. Documents this meeting and retain in the file.
- If the program has overspent or underspent this must be immediately communicated to the director and/or manager and Junior Accountant.
- Required to verify the program cash position to assure it is in the positive position. If not, please notify your supervisor immediately for corrective action.
- Required to review and sign all purchase order and check requisitions as the budget control officer per the budget. Signature will be verification the program has the dollars allocated for the expense or purchase per the budget.
- Become familiar with programs respective governing circulars and regulations.
- Travel as necessary for the respective assigned grants.
- Must keep all files organized and work are clean at all times.
- Attend meetings as required by your supervisor.

- Perform other tasks or projects as assigned by your supervisor.

Knowledge, Skills, & Abilities:

- General accounting & business knowledge; GAAP
- Understand revenue and expense reports and how they related to the general ledger.
- Read and interpret grant, contract or program documents, rule & regulations, & revenue/expense reports.
- Understanding of fund accounting basics & budgeting process.
- Be able to work effectively with others and be a team player.
- Communicate orally and written with others.
- Ability to manage time and prioritize tasks, producing quality output within time constraints.
- Displays a high level of effort and commitment to performing work; good attendance.

Qualifications, Experience and education required:

- AA degree in accounting or business related, with 2 years of experience in the accounting field is preferred.
