

SORNA/SMART Program Spirit Lake Tribe

Monthly Report for December 2020

Submitted by LaRissa McKay, Director

Listed below are the program activities that were completed for the month:

- Week 1: Covid – 19 Precautions still in place for the Tribe so teleworking was an option. Teleworked this week, scheduled appointments and kept records up to date.
- Week 2: Precautions still in place. Teleworked, but also conducted 2 home visits. Maintained the public website, updated records.
- Week 3: Had 4 home visits due to the Covid – 19 precautions. Had a meeting with local entities on better communicating information.
- Week 4: Christmas week so we had time off. Worked on trying to get access to the grants system so I could get my report done.

Total office calls: 34

Budget: See attached
