

ATTENTION

SPIRIT LAKE TRIBE CITIZENS

**We take our mission to protect our citizens seriously!
As a community, it is essential to **STAY HOME** during this
Coronavirus Pandemic! This is no joking matter.
Our community is vulnerable and at high risk for serious
illness and even death if the Coronavirus (COVID-19)
spreads amongst our people.
Please take precautions to protect you and your family by
staying home and disinfecting your household.**

**If you have any questions or concerns, please call the Spirit Lake Health Center and speak to the
phone nurse at 701-766-1600.**
