!!ATTENTION!!

Let's come together and keep Spirit Lake clean. As nice weather approaches, we just want to remind everyone that is hauling their garbage to the landfill **PLEASE** cover the back of your vehicle. This will help with any loose garbage/debris from blowing out of your vehicle that may cause any damage to other vehicles when following or passing. It will also keep our roadsides clean.

PLEASE NOTE: PICK UP ALL DEBRIS THAT FALLS OFF OR IS BLOWN OFF YOUR TRAILER/TRUCK.

THANK YOU
